

CNN report

Mystery and worldwide (_____) today following the crash of Ethiopian Airlines flight ET302 which killed all (_____) people on board, after it went down Sunday just minutes after take-off.

The (_____) now for many is the plane itself. The plane: Boeing's best-selling passenger jet, the new 737 Max 8. Sunday's tragedy is the second of its type to crash in the past few months, though there is no evidence of a (_____), the first back in October when a Lion Air flight went down near Indonesia, killing (_____) people.

China, Indonesia, and several airlines around the world have (_____) their (_____) of the plane, but in the US Southwest, American Airlines, and West Jet are among the airlines saying that at this (_____), they are not (_____) to change operations, expressing confidence in the aircraft.

Boeing for its part says that safety is their n°1 priority in a statement Monday, adding "we are taking every measure to fully understand all aspects of this accident. Based on the information available, we do not have any (_____) to issue new (_____) to operators".

The voice recorder and flight data recorder have been found, as investigators begin to (_____) what happened in those final moments. NTSB investigators are also on their way to help officials on the ground.

The flight took off on Sunday morning, reporting technical problems moments later and asking for permission to (_____). Just 6 minutes after take-off, contact with the plane was lost.

The plane was (_____) with many who hoped to make the world a better place, (_____), teachers, environmentalists, some (_____) to a major UN environmental summit.

What really struck me was the small size of many of those bits of that plane. This plane was (_____) as it impacted on the ground. I spoke to an investigator who believed that it (_____) in at a very vertical angle, at great speed, (_____) into the ground, creating that massive (_____).

Questions now will be asked here in Ethiopia and across the world: is this type of aircraft safe? And they'll need those answers very soon indeed.

Donald Trump

We are going to be issuing an (_____) Order of Prohibition to ground all flights of the 737 Max 8, and the 737 Max 9, and planes associated with that line.

I have spoken to Elaine Chao, (____); Dan Elwell, (____) of the FAA; and to Dennis Muilenburg, CEO of Boeing; and they will be available shortly after our conference today.

They are all (_____) with the action. Any plane (_____) in the air will go to its destination and thereafter be grounded (____). So, planes that are in the air will be grounded, if they are the 737 Max, will be grounded, (_____) landing at the destination.

Pilots have been notified, airlines have been all notified. Airlines agreeing with this, the safety of the American people and all people is our (_____) concern.
